President's Corner

Rhonda Cheramic

District President

Hello ladies well this month is all about Fall Conference, Junior Activities, Music and Gold Star mothers. I would like to take this opportunity to ask you Ladies that when we give notice to our Gold Star mothers there is no clapping. The reason for this should be evident but in case you are unaware it is because they have lost a loved one, so let us remember there memory with silence. I look forward to a Great Conference.

GOOD OF THE AUXILIARY

Ladies you will be as excited as I am to see what has been going on around the District. Our President Elect has been hard at work helping the President with installations and our VA&R Representative is hard at work doing Public

Relations. Raceland Unit 349 and Unit 83 have also been keeping the Public aware of our Great organization these are just a few of the ones I am aware of. Please let me know what your unit is doing so I can share this with the District.
